September 2020

*<sup>23</sup> Let us hold unswervingly to the hope we profess, for he who promised is faithful. <sup>24</sup> And let us consider how we may spur one another on toward love and good deeds, <sup>25</sup> not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.*  
-Hebrews 10

Sisters and brothers, Grace to you and peace.

As we look with curious and hopeful eyes into fall, many questions arise. Chief among them in my world as your pastor, is this: “How will the church be the church this fall?”  
Church is so many things. According to our Lutheran Confessions, we are the people who gather around Word and Sacrament each week. We are also One with Christians around the world. We are holy, we are catholic (which means global and universal) and we are apostolic (which means we are sent into the world with good news of God's salvation in Jesus.)

For two thousand years the church has gathered, in various ways and circumstances to be church. In rare occasions, we have been persecuted, and have hidden in basements, catacombs and in the woods. During pandemics (like the bubonic plagues and the 1918 Flu) we have taken radical precautions to avoid public infection.

But always, we have found ways to be the church. Always. Always we have found ways to cook our food – over fire, gas flame, radiant electric heat and microwave.. Always we have transported ourselves – on foot, oxcart, horse & buggy, automobile, heelys and one wheeled electric skateboard.. We adapt and we persevere. So too with the church.

The 10<sup>th</sup> chapter of Hebrews reminds us – as we have this assurance of our salvation in Christ Jesus, that we need to “*consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing.*”

The temptation in the early church was to give up meeting together in order to “hunker down” in anticipation of Jesus' return. Our temptation can be similar, and scripture has taught us from the earliest days of Christianity to keep our day jobs and figure out how to live fully, faithfully, and well now. Let us not give up meeting together, Nativity. For we need mutual Christian encouragement, and God has told us that “it is not good for the human to be alone.”

How? How shall we meet? I am convinced that the way is being revealed more and more each week. We know now that we can meet together safely outside in small groups, socially distanced, wearing face coverings. Many of us are now visiting our friends outside-on porches and patios.

How about you? Who should you go encourage? Let us not give up meeting together, Nativity.  
- Pastor Chris

## **Nativity Food Pantry**

---

The Food Pantry schedule hasn't slowed down as the shopping-style food pantry has been replaced by prepared food boxes that are loaded into vehicles at the front door. We started doing boxes for 50 households each Tuesday – 50 boxes of dry food, 50 of produce and 50 frozen/dairy boxes. We have taken in 113,000 lbs of food through July. Last year we did 140,000 lbs for the whole year. Demand has now slowed down so we are serving 35-40 households but the numbers are expected to pick up now that fall is just around the corner.

Due to the increased volume, it became necessary to get a larger trailer to haul food. The cargo capacity of the old trailer was 1,500 lbs. and we were hauling 3-5,000lbs! (Not safe!) Our new trailer has a cargo capacity of 5,500 lbs. The Food Pantry program has been blessed in many ways with several special gifts and an additional grant this year. Since April, Neighborhood Impact has supplied the Food Pantry with tons of food for little to no cost. We have a great volunteer group of 7-8 helpers every week. When we're done for the day, we celebrate with wine and snacks in the back yard of the church.

Thanks for all your support,  
Bill

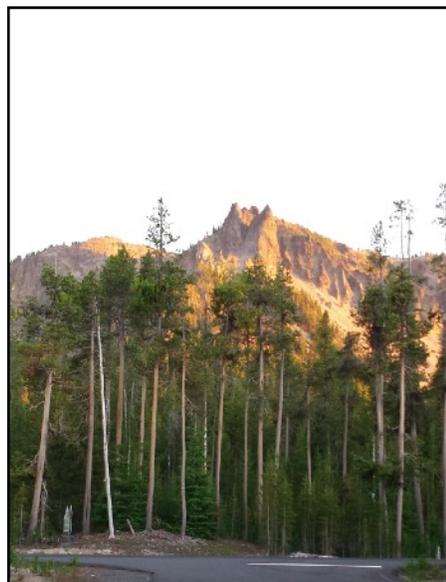

## **Nativity Campout**

---

**2021 will be the 20th year that there has been a Nativity Camp Out! WOW!**

Over the next 12 months there will be a series of interesting fun facts about the history of the Camp Out...

The first camp out was held in 2002 at Ogden Group Camp with ten people there.

All the camp outs have been held within the Newberry National Monument at 3 different group camp sites.

The weather has been everything from freezing nights to warm sunny days (mostly). In the years that the camp out has been held, there has been only one year that the worship service has been held in the rain.

Do you have a fond memory or a favorite photo from one of the Nativity Camp Outs? If so, please share with Selina Witt (541-350-4252 or [pwittnberg@cs.com](mailto:pwittnberg@cs.com)). She would love to hear from you.

Mark your calendars for next year and join the fun filled weekend on the shores of Paulina Lake. Thursday, July 29 – Monday, August 2, 2021.

## **Children's Church**

---

Hi families, I am so happy to hear and see that the kids have been enjoying this year's VBS. Wilderness Escape was so much fun to put together and I am so grateful for our volunteers who worked very hard to bring it together. I'm just so sorry to say that Group

Publishing is making us take down the videos by September 1st. Be sure to watch them all before then.

It is time for us to start thinking about going back to school. This year we will not be able to hold our traditional Rally Sunday. We have however decided to do a drive-thru student and teacher blessing. Come to the church on Sunday, September 13 and we will bless you in your vehicle (possibly with some water) and give the students something to remember to keep God in their

hearts as they head back to an interesting and unknown school year. Remember to rely on God and everything will fall into place. We have tentatively scheduled this for 12:30-2:00pm. I will be starting to post weekly Jr. Church videos to Facebook starting that morning of September 13.

On a final note, I want our children to know that I'm working hard on planning some sort of fun Halloween activity. I can't wait to let you know what our final decision will be. I'm very excited as I have decided on my costume and even got a face mask to go with it. My prayer is that our families, especially our children, go into this school year with God's peace in your hearts.

### Saints Alive

Saints Alive has begun emailing letters from members about life in this sheltering time so we can continue our connection. With Ruth's permission, the following is a letter from Ruth Burleigh as told to Marci Padgett. Ruth is now receiving visitors on her deck with social distancing and would love for you to come and visit. Just give her a phone call.

"I am doing very well. I am still living in my home on the west side and I have arranged my deck so that I can receive visitors with social distancing in place. My deck looks out over Bend and I have arranged my chairs so I can always have a seat in the shade. I spend a great deal of time on my deck looking out over Bend, enjoying the garden, reading and watching the birds.

In the mornings, I go for a walk up one side of my street to the end, turning and going to the other end and return home. It is 1/3 to 1/2 of a mile.

And along the way I sometimes see neighbors to chat with.

Speaking of neighbors, I have a wonderful neighbor (Barb) living next door. She checks in on me daily, brings food and has driven me to haircuts, etc..

I am blessed with wonderful people like Ann Malkin who calls me at least 4 or 5 times a week and brings me books from the library. I love reading! And I talk to other friends on the phone. If you wish, give me a call.

My sons also visit and my son Bill from Eugene visits about every 3 weeks, cooks up very good meals and leaves them in the freezer for me! So I am able to have delicious food every day! Last weekend, Bill's grandchildren, my great-

grandchildren (ages 8 to 15) visited from the east coast. Bill picked me up and we went to a lake near Crescent Lake for the day. It was wonderful to watch the kids play in the water and I was able to catch up on their lives. It was a great day of family time. They come every year and I am glad that we did not miss this year.

So I am well. I am grateful for the people who help me stay independent so I may enjoy my life in the home I have lived in for 54 years.

Over the years you have become part of my family. I will be so happy to see you all!

Ruth Burleigh
